## "Everyone should use it..."

Single mum Jenny, who's been a tenant in Kirkby for over four years says:

"I used my card to save when buying Easter clothes, spending around £65 buying trainers for my son in Planet Sports and clothes for myself in Paris (inside InShops). I saved a handy £6.50 overall. I always keep the card in my purse and I know all the shops I can use it in Kirkby – I've learnt them off by heart. The Advantage Discount Card is a brilliant idea. The main thing I love about the discount card is the convenience and the money I save – everyone should use it!"
